

# Kansas Charolais Association

## June Newsletter

Greetings from the Kansas Charolais Association,

It's hard to believe how fast this year is going! Looks like across the state everyone has gotten adequate moisture to help fill ponds and get the grass off to a good start going into the summer. Lots of things going on nationally with a new U.S. President and opportunities for American Beef in the World Market.

First off, I would like to personally thank all that Anna Barrett has done over the past years as taking on the roll of Secretary/Treasurer. There is a lot she has done to help both myself and past Presidents. We are fortunate as an Association to have Megan Larson moving into to take over the roll of Secretary/Treasurer.

Lots of things coming up with the Association. Here in a few weeks our Kansas Juniors will be competing at Junior Nationals in Grand Island. If you have a chance to make it to the shows or any of the competitions, I highly encourage you to do so as they always represent the State of Kansas well. This fall there will once again be a Field Day which you will hear more about as my details come together for it. Then it will be Kansas State Fair time. The numbers are always on the bubble for a point show which is nice to have but also a great opportunity to display your cattle on a state level.

Last thing I'll leave you with is there are Breeders in the State who are not members. If you happen to know someone or even a new member, encourage them to join as members and make this the Best State Charolais Association in the AICA.

Best Regards,

Curtis Ohlde, KCA President

## Secretary News

Hello Everyone!

I have officially taken over the Secretary/Treasurer position. I am still learning, so if I haven't done something right please let me know. I have worked with EDJE and revamped the website a little. When you know your sale dates for the upcoming year, please let me know and I will get them added to the calendar. We are still working on details for the KCA field day. Hopefully, we will have more information out by the end of the month. The date is looking like August 26th as of now. If you have any questions, please let me know. Thanks!

Megan Larson

# KJCA State Show 2017

May 27-28 Hutchinson, KS

Judge: Brad Bennett, Nebraska
